

Heavy-Duty Steel

Constructed from heavy-duty solid-steel, the Mi-T-M jobsite boxes are built to handle the rough demands of construction sites and feature a locking lid to protect your valuables.

Construction:

- Special tamper-proof armored locking system
- Convenient swing-out handles
- Reinforced support skids
- Heavy-duty solid steel construction with full arc welded seams
- Full-length concealed hinges are riveted
- Special powder coated finish for extreme durability
- Predrilled skids for easy caster installation
- Optional removable tool trays to assist in tool management and increase your inside storage space
